the purchase of Messrs. Caffarella and Company's estate. It is reported that the agent, who has already purchased many of the plots of land in the vicinity of the town of Corrientes. The Barón is also purchasing land in Guy.

The cheque of the Provincial Bank improved today to 41 and 42 1/2 discount. There is a rumor rampant that the new political evolution involves a plan to reconstitute the Provincial Bank of Buenos Aires on the basis of money. This report is simply untrue, but it is always sure on the current. It is the kind of financial policy expected from the latest political evolution, it would be better for the country if the evolution be nipped in the bud. The rumor, we suppose, however, has been launched to influence the gold market in the market at the slightest importance to the report.

In answer to a note of the Lord Mayor, who appeals for an extension of the storm-drains to the port works, Engineer Nystrom calculates the cost of the work at \$21,314.

Dr. Vicente Molina has applied to the Minister of Finance that the morning be forwarded to the Governor of the Rio Negro territory to put a stop to the working of a certain saladero, the concession of which has been granted to Dr. Molina. We think this refers to a saladero on the south bank of the Rio Negro, between Viedma and Port San Antonio.

The slump in gold, as might be expected, has been followed by thorough stagnation in the gold market. The fluctuations in the gold premium are driving buyers and consignees away from the market. The gold market is dead, in cereals, in spite of better prices from the European markets, the slump in the morning was as painful as in wool. A few sales of wheat were reported at 11.40 for good French, over 100 for 100, and Santa Fe wheat in slightly damp condition. A special lot of good wheat, quality of 12.10 per 100, was sold.

The gold market opened very hard at the second ring and continued steady at 8.88 to the ounce till a few minutes before 4 o'clock, when the price broke away to 8.70, closing somewhat heavy at 8.70. The closing price was 8.70, the price opened at 8.65, and closed at 8.70. The closing price was 8.70, the price opened at 8.65, and closed at 8.70.

The following is a summary of the business effected in stocks and shares today at the second ring: South American Bonds—Feb. 23rd... 21,220 at 18.35-18.40; 18.40-18.45; 18.45-18.50; 18.50-18.55; 18.55-18.60;
